

FLU CLINIC 2010

FLU INFORMATION FOR SCHOOL YEAR 2010 – 2011 SEASONAL AND HINI VACCINE IN ONE SHOT

The Student Center together with Human Resources will again be conducting the Annual Flu Clinic this year on **October 19, 2010 from 9:00 a.m. to 3:00 p.m. ONE DAY ONLY**. The vaccine is free to all Caltech staff, faculty, students and post doc students with a valid Caltech I.D.

- The CDC recommends a yearly flu vaccine as the first and most important step in protecting against the flu virus
- The 2010-2011 flu vaccine will protect against the seasonal flu and the H1N1 virus that caused so much illness last season
- Remember: You can't get flu from the flu shot

For more information regarding this year's flu season visit www.cdc.gov/flu/protect/preventing.htm
